

Become a Robotics Explorer!

at the 4-H Robotics
Skill-A-Thon

Where: Cumberland County Fairgrounds
4-H Exhibit Building

When: Tuesday, July 7, 7-8 PM

What is a Robotics Skill-A-Thon?

As a family, you will participate in interactive stations to become a Robotics Explorer!

- * Invent a robot!
- * Write instructions on how to build your design!
- * Build a tankbot!
- * Perform robotics math!
- * Move a robot through an obstacle course!

Each family will receive a picture
of them with their robot!
